

Akan Town Hall Regular Board Meeting

Minutes

August 14, 2025 at 7:00 pm

The Town Board meeting was called to order August 14, 2025, at 7:02 pm. at the Akan Town Hall, 12249 State Hwy 171, Blue River, WI 53518

Pledge of Allegiance - was led by Kathy Maly.

Call to Order - by Maly, 2nd by Jon.

Roll Call – Present: Kathy Maly, Jon Rossing, Maggie Buc, and Jessica Laeseke

Verify Posting – Road sign and online.

Approve the Agenda- Motion by Maly and 2nd by Rossing. All Aye, carried.

Minutes from 7/10/2025 – Motion by Maly and 2nd by Rossing. All Aye, carried.

Treasurer's Report - A balance forwarded of \$14,693.29 for July. Month ending with a checkbook balance of \$32,235.21. Motion to accept the treasurer's report for August by Maly/second by Rossing. Motion carried.

Present and Approve Bills for Payment- Motion by Maly to approve the bills. Rossing seconded to approve the bills for payment. Motion carried.

Specific Matters for Discussion:

New Business

- **Richland County Zoning Ideas**- Motion by Rossing to have the county continue to work with inspectors for Akan Township.
- **Meeting notices back in paper?**- Couple of people wanted to put the meeting notice back in the paper. Board discussion we will laminate and put hours out by pole by garbage information.
- **New website/emails?** Laeseke said that WI Elections Commission would like us to have.gov emails and there is some funding there now. Laeseke also mentioned maybe going with a different website for more historical information.

Old Business

- **Bridge update**- Kathy met with county & engineer recently. Kinney Lane private driveway field and abandon houses. Engineer wanted to put in a regular bridge and it would cost a bit, recommend trying to vacate that road and bridge. Bridge on Shady might cost \$400,000 to \$500,000. Could knock bridge down and have a Dead End Road sign recommended by engineer, would need a turn around. Rossing questioned why we aren't handling the bridges ourselves instead of working with County, Rossing also wondered where our road ends on Kinney Lane and if it is before the bridge. Kathy is going to call Jewell Associates and see what they think about the bridges and possibly assist us in application for a grant. Laeseke will send out a letter to Knapps Creek LLC about the bridge on Kinney Lane, Jon will talk to them.
- **Violet Drive guy with garbage by roadside**- Maly spoke to the county policy and they were going to talk to the owner for cleanup. Discussed possible ordinance.
- **Gingerich Fence**- After some run around the fence was completed by Perkins.

Under specific matters for discussion-

- a) **Roads Report**- Maly said she wants Kevin out at least 2 days a week and doesn't think it has been. He was working at Red Wing this week.
- b) **Recycling Report**
- c) **Buildings Report**

d) **Ambulance Report**

e) **Fire Report**- Can get \$200 from county if catches fire. There also might be something where we can collect \$500 from the state.

10. **Public comments and suggestions from residents of the town and other persons present.** – Dave Barsi would like to know if we can get a road sign up for Bullsake Lane.

Adjourned at 8:37 pm

Adjourned at 8:23 pm by Kathy Maly and Jon Rossing.

Specific Matters for Discussion:

New Business

- **Richland County Zoning Ideas**- Motion by Rossing to have the county continue to work with inspectors for Akan Township.
- **Meeting notices back in paper?**- Couple of people wanted to put the meeting notice back in the paper. Board discussion we will laminate and put hours out by pole by garbage information.
- **New website/emails?** Laeseke said that WI Elections Commission would like us to have.gov emails and there is some funding there now. Laeseke also mentioned maybe going with a different website for more historical information.

Old Business

- **Bridge update**- Kathy met with county & engineer recently. Kinney Lane private driveway field and abandon houses. Engineer wanted to put in a regular bridge and it would cost a bit, recommend trying to vacate that road and bridge. Bridge on Shady might cost \$400,000 to \$500,000. Could knock bridge down and have a Dead End Road sign recommended by engineer, would need a turn around. Rossing questioned why we aren't handling the bridges ourselves instead of working with County, Rossing also wondered where our road ends on Kinney Lane and if it is before the bridge. Kathy is going to call Jewell Associates and see what they think about the bridges and possibly assist us in application for a grant. Laeseke will send out a letter to Knapps Creek LLC about the bridge on Kinney Lane, Jon will talk to them.
- **Violet Drive guy with garbage by roadside**- Maly spoke to the county policy and they were going to talk to the owner for cleanup. Discussed possible ordinance.
- **Gingerich Fence**- After some run around the fence was completed by Perkins.

Under specific matters for discussion-

- a) **Roads Report**- Maly said she wants Kevin out at least 2 days a week and doesn't think it has been. He was working at Red Wing this week.
- b) **Recycling Report**
- c) **Buildings Report**

d) **Ambulance Report**

e) **Fire Report**- Can get \$200 from county if catches fire. There also might be something where we can collect \$500 from the state.

10. **Public comments and suggestions from residents of the town and other persons present.** – Dave Barsi would like to know if we can get a road sign up for Bullsake Lane.
